Information about the town and/or neighborhood	The school is located in Vícar, a town in the province of Almería (Andalusia). Vícar is a multicultural place where people from different nationalities live: Africans, Romanians, South Americans... For this reason, our educational centre is very multicultural. <p>Accommodation</p> <p>- Where to live in town?</p>	<p>With respect to accommodation, if you do not have a car, Almería is a bit far from the school and the public transport here is not good enough. The best option is to rent a place in Roquetas de Mar or Aguadulce. Most of us live there.</p> <p>Interesting websites: https://www.idealista.com https://www.fotocasa.es/es/</p> <p>Upon arrival the assistant could ask the teachers for information about accommodation and any other topics.</p>
<p>Previous Experiences with Language Assistants</p>	<p>We have had language assistants for four years and they have played an important part in our school. The pupils have been very motivated and learnt a lot in their classes.</p>
